## NIKA LOGISTIC - P3 PARK, LIBEREC, CZE

According to the assignment of the important developer company P3 Parks, we implemented complete lighting for a long-term tenant, the company Nika Logistic. The entire installation took place according to the customer's wishes without any restrictions on operation. The luminaires were connected using the existing electrical installation. Everything was delivered on time, in perfect quality and fully in line with the customer's specifications. The

customer's total operating costs were reduced by 63% at a high illuminance level of 500 lux. The demanding and frequent replacement of the original lamps at a height of 8.5 m has been completely eliminated.

	Original installation	ARGIA lighting solution
Type of luminary	T5 6x54W	ARGIA ALVA3
Number of luminaires	205 units	205 units
Total Input	66.4 kW	25 kW
Consumption kWh/year	796 000 kWh	300 000 kWh

The customer's total operating costs were reduced by 63% while increasing light levels by up to 73%.
