

76%

CRUSSIS ELECTROBIKES, HOVORČOVICE, CZE

For CRUSSIS electrobikes s.r.o., a Czech manufacturer of electric bikes and scooters, we replaced in two stages the obsolete discharge lamps for new modern LED luminaires in a shelf warehouse in which production space was newly built. Luminaire raster was newly created according to customer needs. By installing LED luminaires, the customer was able to save 76% on operating costs by increasing the

lighting level in the storage area by 20% and lighting the new production area. Everything was delivered on time, in perfect quality and fully in accordance with the customer's specifications.

	Original installation	ARGIA lighting solution
Type of luminary	Discharge luminaires 250W	ARGIA lighting solution
Number of luminaires	60 pcs	60 pcs
Total Input	19.20 kW	6.36 kW
